

POWERING THE VIRTUAL EXPERIENCE

Helping private equity firms navigate and create outstanding virtual and hybrid meetings and events

Your trusted partner for meetings and events

Providing quality virtual events require production professionals. OpenExchange provides you with the expertise needed to execute the most important virtual events and diligence meetings.

- Virtual/Hybrid Annual LP Meetings
- Fundraising Due Diligence Meetings
- Webinars / Thought Leadership
- Internal Playbooks
- Quarterly reporting for LPs
- Virtual Fund Launch
- Virtual Deal Announcements
- Video Pitch Books

LP Communications

Keep your LPs engaged and informed using OpenExchange for state-of-the-art live streaming and content libraries.

High-Profile Meetings

Whether you are doing virtual fundraising due diligence, deal diligence, or deal funding/syndication. OpenExchange is here to power the meetings that mater.

Internal Playbooks

As you increase efficiencies by documenting processes, OpenExchange provides you with a self-service platform to host content.

OpenExchange is the Premier Provider
for Private Capital Markets

OpenExchange's focus is on delivering high-quality meetings and events. OpenExchange is a trusted, reliable, and secure platform that helps facilitate virtual, in-person, and hybrid meetings. OpenExchange offers software and services to create, organize, and grow collections of both live and on-demand video assets for internal or external use.

OpenExchange wants to be your trusted partner whether you need help with fundraising due diligence meetings, annual LP meetings, internal playbooks, or deal announcements.
